

Hosa Pro Series Cables

Hosa Pro Series Cables are engineered to deliver years of rock-solid reliability. Combining REAN® connectors by Neutrik AG with world-class manufacturing techniques, they redefine what performance and value are all about.

Hosa Pro Speaker Cables

- 14 AWG Oxygen-Free Copper (OFC) conductors for a louder, clearer signal
- Twisted-pair construction for reduced crosstalk and minimal interference
- Robust, 7.8 mm OD jacket for superior durability

Connectors

While most other cables in their price range use cost-cutting connectors, Hosa Pro speaker cables feature REAN® connectors by Neutrik AG, the industry leader in connectivity solutions. Features include:

- Nickel-plated contacts for superior signal transfer
- Chuck-type strain relief for maximum cable retention
- Locking latch for secure connectivity (loudspeaker connector)

Pro Speaker Cable, 14 AWG
